IEEE XTREME
INTEREST MEETING

Do you think you can code?

Come find out more information about the IEEE XTREME 24-hour coding competition. There will be a Q&A session committed to answering any questions you have about IEEE XTREME. Also, you will find out why you should sign up, benefits of participating in IEEE XTREME, and registration deadlines for this competition. Did I mention that **food will be provided** at the meeting and that IEEE XTREME is a great resume booster?
